

### Safe Harbor Provision

Statements in this presentation regarding LivePerson that are not historical facts are forward-looking statements and are subject to risks and uncertainties that could cause actual future events or results to differ materially from such statements. Any such forward-looking statements, including but not limited to financial guidance, are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. It is routine for our internal projections and expectations to change as the quarter and year progress, and therefore it should be clearly understood that the internal projections and beliefs upon which we base our expectations may change. Although these expectations may change, we are under no obligation to inform you if they do. Actual events or results may differ materially from those contained in the projections or forward-looking statements. Some of the factors that could cause actual results to differ materially from the forward-looking statements contained herein include, without limitation: potential fluctuations in our quarterly revenue and operating results; competition in the market for digital engagement technology; our ability to retain existing clients and attract new clients; potential adverse impact due to foreign currency exchange rate fluctuations; privacy concerns relating to the Internet that could result in new legislation or negative public perception; risks related to new regulatory or other legal requirements that could materially impact our business; our ability to effectively operate on mobile devices; failures or security breaches in our services, those of our third party providers, or in the websites of our customers; risks related to industry-specific regulation and unfavorable industry-specific laws, regulations or interpretive positions; the adverse effect that the global economic downturn may have on our business and results of operations; economic conditions and regulatory changes caused by the United Kingdom's likely exit from the European Union; our ability to retain key personnel, attract new personnel and to manage staff attrition; risks related to the ability to successfully integrate past or potential future acquisitions; additional regulatory requirements, tax liabilities, currency exchange rate fluctuations and other risks as we expand internationally and/or as we expand into direct-to-consumer services; risks related to the regulation or possible misappropriation of personal information belonging to our customers' Internet users; potential failure to meeting service level commitments to certain customers; technology systems beyond our control and technology-related defects that could disrupt the LivePerson services; risks related to protecting our intellectual property rights or potential infringement of the intellectual property rights of third parties; legal liability and/or negative publicity for the services provided to consumers via our technology platforms; errors, failures or "bugs" in our products may be difficult to correct; increased allowances for doubtful accounts as a result of an increasing amount of receivables due from customers with greater credit risk; payment-related risks; delays in our implementation cycles; impairments to goodwill that result in significant charges to earnings; risks associated with the recent volatility in the capital markets; our ability to secure additional financing to execute our business strategy; our ability to license necessary third party software for use in our products and services, and our ability to successfully integrate third party software; our ability to maintain our reputation; risks related to our recognition of revenue from subscriptions; our lengthy sales cycles; risks related to our operations in Israel, and the civil and political unrest in that region; changes in accounting principles generally accepted in the United States; risks associated with our current or any future stock repurchase programs, including whether such programs will enhance long-term stockholder value, and whether such stock repurchases could increase the volatility of the price of our common stock and diminish our cash reserves; natural catastrophic events and interruption to our business by man-made problems; the high volatility of our stock price; and risks related to our common stock being traded on more than one securities exchange. This list is intended to identify only certain of the principal factors that could cause actual results to differ from those discussed in the forwardlooking statements. Readers are referred to the reports and documents filed from time to time by us with the Securities and Exchange Commission for a discussion of these and other important factors that could cause actual results to differ from those discussed in forward-looking statements.

Adjusted EBITDA Margin	13.0% - 15.0%	8.4% - 9.9%	8.5% - 10.2%

- Raised previously issued 2017 revenue guidance due to solid start to year
- Targeting 2H:17 revenue up over 1H:17, positioning LivePerson for renewed growth in 2018
- Target maintaining, if not improving margins in 2017 as compared to 2016, as LivePerson winds down Legacy and aligns on LiveEngage; prepped for margin gains as returns to growth
- 2017 GAAP net loss includes \$9.3-\$9.5 million of projected restructuring and non-recurring fees: \$3.0-\$3.3 million tied primarily to wind down of Legacy and \$6.0-\$6.5 million tied to IP litigation

### Change to Presentation of Non-GAAP Measures

#### **Updated calculation methodology**

Non-GAAP Calculation Methodology	1Q:16	2Q:16	3Q:16	4Q:16	2016
Pre-tax loss	\$(2.1)	\$(6.5)	\$(2.7)	\$(8.7)	\$(19.9)
Non-recurring, restructuring & non-cash expenses	4.3	7.1	4.5	11.0	26.9
Adjusted pre-tax income	2.2	0.7	1.8	2.3	7.0
Non-GAAP tax effect (@ 35%)	(8.0)	(0.2)	(0.6)	(8.0)	(2.5)
Adjusted net income	1.4	0.4	1.2	1.5	4.6
Adjusted net income per Share	\$0.03	\$0.01	\$0.02	\$0.03	\$0.08

#### Historical calculation methodology

Non-GAAP Calculation Methodology	1Q:16	2Q:16	3Q:16	4Q:16	2016
Net loss	\$(2.7)	\$(7.8)	\$(5.9)	\$(9.6)	\$(25.9)
Non-recurring, restructuring & non-cash expenses	4.3	7.8	4.5	10.9	27.6
Tax effect on non-GAAP add backs (@ 35%)	(1.5)	(2.5)*	(1.6)	(3.8)	(9.4)*
Adjusted net income (loss)	0.1	(2.4)	(2.9)	(2.4)	(7.7)
Adjusted net income (loss) per Share	\$0.00	\$(0.04)	\$(0.05)	\$(0.04)	\$(0.14)

In 2017, we have updated the methodology for calculating adjusted net income. Whereas we previously incorporated the GAAP tax rate into our calculation, we now start with GAAP pre-tax profit (loss), add back restructuring, non-recurring and non-cash expenses, and then apply a standardized 35% tax rate. The goal of the revised calculation is to limit the volatility of GAAP tax rate fluctuations and to more closely align non-GAAP taxes with cash taxes.
